RE: 2022 Business License Renewals

To Whom It May Concern,

The City of Brawley (City) is undergoing an implementation and update to its Business License application which is used to process business license renewals and new applications. The upgrade includes the future ability to apply for a new license, pay for or review the status of a current license online.

The City is anticipating the update will be completed by mid-February 2022 and renewals will be processed by early March 2022 without penalties or late fees for any business. Renewals will have the same 30-day processing deadline and until further notice your current business license is extended and active until April 30, 2022.

We apologize for any inconvenience this has caused. Should you have any questions, please email [businesslicense@brawley-ca.gov](mailto:businesslicense@brawley-ca.gov) or call 760-344-8941.

Sincerely,

Karla Romero  
Finance Director/City Treasurer
